

# PSD School Ministries Connections

*October 4, 2017*

*The Lord is near to the brokenhearted  
and saves the crushed in spirit.*

*Psalms 34:18*

*Jesus said, "I have said these things to you, that in Me you may have peace. In the world you will have tribulation. But take heart; I have overcome the world." (John 16:33, ESV) At times like these, we cling to the hope and peace that we have in Jesus because of His victory won for us on the cross and empty tomb!*

Together, as the body of Christ, we join together in praying for all of our professional workers in ministry and leadership in our Las Vegas area schools and congregations as they provide comfort and reassurance of the hope we have in Jesus to those who have been deeply impacted by the horrific shooting in their community.

Several students, an alumna, and a relative of a student at Faith Lutheran Middle School and High School were wounded in the shooting, and numerous others of their stakeholders were immediately impacted by this tragic event. A parent of a preschooler at Faith Community Lutheran Preschool is in critical condition at this time. One of the Faith Community teacher assistants was working at the event as

head of a security group. Thankfully she was not injured, but was in the middle of it all giving first aid and CPR to the injured. In addition, Mrs. Donna Jaksha, Admissions Director at Loving Savior Lutheran, Chino Hills, CA, lost her daughter-in-law, who was killed due to injuries she sustained from a gun shot wound. Our heart and prayers go out to Mrs. Jaksha and her son Chris. Chris and his wife recently welcomed a child into the world, so please join me in praying for their young children as well. I'm sure there are many more of which I am not currently aware.

I know this is a very sad, somber and scary time, but we find our strength in the promise of our Savior. Please let me know how we can assist you in providing comfort and resources as you find opportunities to talk with your students and families about this tragedy.

Again, I ask that you continue to pray for our sisters and brothers in Las Vegas whose lives have been deeply touched by this tragedy! Thanks for your partnership in service to our Lord! Many thanks for your prayers! God is our refuge and strength in times of trouble.

God be with you and keep you in His mighty care! *"May your unfailing love be my comfort, according to your promise to your servant." (Psalm 119:76, NIV)*

Connected in Christ, in His unfailing love,

Rachel Klitzing

## **Raising Up New Church Workers**

It has always been important for the church to be actively raising up new church workers. Given the pressures against considering service in the church as a pastor, teacher, DCE, DCO, DPM, DFLM, or deaconess in our culture today, we now more than ever need resources to help us proactively encourage young people to consider a church work vocation. The Church Work Recruitment and Retention Task Force created the following videos to help the local church and church workers to do just that. These videos are perfect for use as a church announcement, in youth group, and the school classroom (elementary to high school). They can also be shared on social media. Please consider how you might encourage the next generation of church workers and how these videos can help you do just that.

### *LEC Hotel Rooms*

We are getting closer and closer to LEC 2017! It's just one month from the cut-off date for our room block at the Marriott Desert Ridge. We want to encourage all our schools to **book their rooms by the end of the day on Friday, November 3**. After this date, the rooms will be released back into the hotel's inventory and there is no guarantee that rooms will be available after that. We understand from the hotel they are already close to sell out for our dates. **Please don't miss this deadline!**

## Teacher Appreciation Ads at LEC

Each year, we offer our schools the opportunity to thank their staff, give a shout out, or just celebrate their school with an advertisement in the LEC Program Book. A quarter page ad is \$100, a half page ad is \$200, and a full page ad is \$250. If you would like to purchase an ad, please use [this link](#) to register. When you register, please choose Program Ad Purchase in the Registration Track drop down menu. That will bring up a second drop down that will allow you to select the size of the ad. Ads need to be submitted to [kim.violette@psd-lcms.org](mailto:kim.violette@psd-lcms.org) no later than Wednesday, October 25. Please send your ad in a high resolution, print-ready JPG or PNG file. Your ad will be placed in the program book and adjusted to fit the page based on ad size purchased. All ads will be in grey scale. Don't miss this opportunity to recognize your great school!

## Project SERV and Private Schools

Below is a message from Joe McTighe, Executive Director of the Council for American Private Education (CAPE):

President Trump last Friday signed into law the [Hurricanes Harvey, Irma, and Maria Education Relief Act of 2017](#). Section 3 of the act amends the Elementary and Secondary Education Act (ESEA) to include Project SERV among the programs under which equitable services are to be provided to students and teachers in private schools. [Project SERV](#) "funds short-term and long-term education-related services for local educational agencies (LEAs) and institutions of higher education (IHEs) to help them recover from a violent or traumatic event in which the learning environment has been disrupted." Thus LEAs (school districts) that receive such funds are now obligated to provide equitable services to private schools and to comply with all the uniform provisions of Title VIII of ESEA (e.g., consultation)

contained in Sec. 8501 of ESEA.

### *Register for Accreditation Training!*

Our annual accreditation training will be held **Tuesday, October 24th**, at **Hephatha Lutheran in Anaheim, CA**. [Click here](#) to register! It is important that all accredited schools have representation at this meeting. We will also be training on the new ECE Document, so any ECE Center with a visit in 2019 is strongly encouraged to have someone in attendance! If you are interested in serving on an accreditation visiting team or being an accreditation consultant, please let us know. Ideally, each of our accredited schools will have someone from their school trained in these areas to support other Lutheran schools through this process.

### *PSD School Directory Request*

Thank you to the schools who have submitted their school directories as requested! We currently have received spreadsheets from 34 preschools, 26 elementary schools, and 3 high schools. We are **so thankful** for those of you who have responded quickly! However, this is not yet half of our schools. The requested deadline to submit this information is October 15th. To avoid that phone call you know will come, PLEASE take a few minutes today to fill out the spreadsheet and email it back. Please remember to submit one spreadsheet for preschool, one for elementary school, and one for high school. It should take only about 15 minutes on average to complete. For larger schools, we intentionally created the excel spreadsheet so you could cut and paste your information, saving you time. We must have 100% of schools reporting to accurately re-create our databases. Thank you so much for your attention to this important request.

---

### *California Private School Affidavit*

The legal "window" for the annual filing of the California private school affidavit will open October 1 and extend through October 15. [Section 33190 of the California Education Code](#) requires every private school in the state to file this important document. You should soon be receiving an email from the **California Department of Education** which will contain the password and filing instructions. This email will be sent to all private schools in the Department's current database - meaning all schools that filed an affidavit last year. If, after checking, you believe your school did not receive this communication, or if you should require assistance, please contact Anie Wilson at the CDE: (916) 445-5669

or [awilson@cde.ca.gov](mailto:awilson@cde.ca.gov).
