In order to preserve natural resources, the material order form, account holder form, and letter are being e-mailed to your school. Please indicate the expected student enrollment and the number of teachers per grade for the fall 2019 testing. Return your order form via e-mail to specialaccounts@hnhco.com Attn: Barbara Mills.

All orders must be returned on or before **September 20, 2019**.

In the column labeled "Quantity", please indicate the number of packages of answer documents and/or test booklets you will need for fall 2019. If you do not complete this column, no materials will be sent.

All answer documents for Form E are combined answer documents. If you test a grade using only the *Iowa*, leave the *CogAT* section of the combined answer document blank.

Iowa practice tests can be ordered, and a separate invoice will be sent to the schools. *CogAT* practice tests, directions and interpretative guides can be obtained, at no charge, using DataManager. The use of DataManager will allow access to these digital resources. You may log into DataManager with your user name and password that you used in fall 2018 to obtain your web-based reporting.

Schools interested in ordering an additional paper copy of the directions or the *Iowa* practice tests can order these items using the material order form. A separate invoice will be sent to the schools.

When you receive your shipment of materials, please check the contents of the package(s) against the packing slip. If you notice any discrepancies, please contact Barbara Mills at specialaccounts@hnhco.com
